

## **AGENDA for SEACOOS FALL 05 Workshop (DRAFT/6 OCT 05)**

### **AIMS:**

Increase internal awareness of SEACOOS accomplishments and YR4 tasks  
Develop specific YR4 action plans  
Enumerate possible YR5 tasks

### **BY-PRODUCTS:**

Determine the incremental contribution of SEACOOS to the coastal ocean observing systems of the Southeast, including data recovery  
Analyze the cross-Working Group integrative aspects of SEACOOS  
Convolve plans for SEACOOS testbeds with Application Themes

NOTE: WG = Working Group; AT = Application Theme

### **DAY ONE**

0830 – General information on workshop organization, SEACOOS status and YR4 plans, etc. – Harvey Seim

0850 - Status of SECOORA/IOOS – Sandy Bernard

0900 – Inaugural Report on the Status of the Southeast Coastal Ocean, including discussion of options for the next report – Jim Nelson

0920 – Report on E& E activities and plans, including transition to SECOORA – Bob Bacon

0940 – Applying principles of “systems engineering”, a discussion of a document on this topic - Chris Mooers

1000 – Break

#Each of the below sub-regional sessions needs to cover common ground; e.g., status of observing system, modeling system, and information system; significant scientific and technical accomplishments; potential utilization of testbeds for thematic applications. (Each sub-regional session coordinator will be expected to provide the WGs and ATs with structured highlights in PowerPoint form in advance of the WS. These will be based upon common points to be addressed by speakers.)

1030– #EFS (EFSIS, etc.; Chris Mooers, Coord.), Harvey Seim, Chair

1100 – #GCB (SABSOON, etc.; Harvey Seim, Coord.), Bob Weisberg, Chair

1130 – #WFS (COMPS, etc.; Bob Weisberg, Coord.), Chris Mooers, Chair

1200 – Charge to WGs – Harvey Seim

1215 – Lunch

\*Each of the below WG and AT sessions needs to analyze the next steps for SEACOOS , incorporating the sub-regional strengths. (Each WG and AT chair will be given a PowerPoint template to guide the preparation of their plenary summaries.)

1330 - \*WGs meet to plan YR4 follow-ups and propose YR5 tasks

1500 – Break

1530 – WGs continue

1700 – Reception

## **DAY TWO**

0830 – Charge to Application teams

0845 - \*ATs meet to plan YR4 follow-ups and propose YR5 tasks

1000 – Break

1030 – ATs continue

1200 - Lunch

1330 – Plenary session for WGs & ATs to update their YR4 plans & outline their YR5 tasks

1500 – Break

1530 – Plenary session to outline priority, cross-cutting follow-ups for YR4 plans and proposed YR5 tasks in view of the previous plenary session:  
**develop specific action plans**

1700 - Adjourn
